MEMORANDUM

TO: Charter School Contacts and District School Improvement Contacts

FROM: Nikolai Vitti, Deputy Chancellor

DATE: September 8, 2009

SUBJECT: Charter School Differentiated Accountability Checklist of Compliance

The Department has created Checklists for charter schools to use to determine compliance with the strategies and interventions outlined in the *Strategies and Support for Differentiated Accountability* document. Please find attached Checklists for Prevent I, Correct I, Prevent II, Correct II, and Intervene charter schools. Included in the checklist are the Differentiated Accountability responsibilities of both the charter school and the charter school's governing board. The charter school and the governing board should work together to complete this checklist. All schools in Differentiated Accountability complete these Checklists and upload them to their online School Improvement Plan.

If you have any questions or concerns regarding the Checklists, please feel free to contact me at nikolai.vitti@fldoe.org, or you may contact your Regional Executive Director.
